

# Earthquake Felt Over Arkansas

LITTLE ROCK, Ark. (AP) — An earthquake rattled buildings, furniture and nerves throughout Arkansas Wednesday, but apparently caused no injuries and no major damage.

State police said the tremor cracked walls and floors, and there were reports that dishes were broken, but authorities found no major damage.

The shock frightened thousands of Arkansans, who swamped police and news media with telephone calls. Estimates of the duration of the tremor ranged from five to 40 seconds.

"It felt like a train running across my house," said Joe Caldwell of Benton.

Only portions of south and southwest Arkansas apparently escaped the shock, which extended into southern Missouri. Residents of West Plains, Mo., near the northern Arkansas border reported two shocks—one at 6:38 p.m., EST, and the other about two minutes later.

The Arkansas quake occurred at 6:37 p.m., EST, according to the Rev. William Stauder, geophysics professor at St. Louis University, who placed the tremor at 4.5 to 5 on the Richter scale, enough to cause minor damage. He said the epicenter was 260 miles from St. Louis, which would place it in north-central Arkansas.

The U.S. Coast and Geodetic Survey said in Washington the tremor registered 4.8 on the Richter scale. It said Weather Bureau observers in Memphis, Tenn., reported feeling its effects slightly.

The Baxter County sheriff's office at Mountain Home said a tremor lasting about five seconds occurred about 30 minutes after the first widespread shock in the Cotter area of North Arkansas.

The tremor was the second for Arkansas within two months. A shock measured at 5.5 on the Richter scale shook this state and 22 others No. 9, but caused no injuries or major damage in Arkansas. By comparison, the San Francisco earthquake of 1906 registered 8.6.

State Police said Wednesday's quake caused brief interruptions of telephone service at Batesville and southwest Little Rock, but a southwestern Bell Telephone Co. spokesman said it had no reports of disruptions.

Conway County Sheriff Marlin Hawkins said "tables were walking across the room in some homes" of the Morrilton area.

"It sounded as though the wind were raising the roof, then we felt the tremor," said Bobbie Forster of Little Rock.

Oscar Christian, lying in bed at his Hot Springs apartment, said, "I thought someone was under the bed shaking it."

## Stewart Again Heads Deacons

The deacons of First Presbyterian Church of Hope at a recently called meeting took unprecedented action in electing Cliff Stewart to a second term as chairman of the Board. In addition to Mr. Stewart's reelection, Clyde Fouce was re-elected to the office of secretary of the board of deacons.

In other business the deacons approved the financial budget of the church which was proposed for 1969. Tom Hays, Jr., chairman of the Finance and Budget Committee of the Diaconate presented the budget to the Board. The deacons voted to replace the old range in the manse with a new one. It was also decided to try leaving the heat on in the church during the cold, winter months. Those attending the meeting included: Cliff Stewart, Tom Hays, Jr., Tom Hays, Sr., Bill Morris, Duffie Booth, Floyd Leverett, Dr. Lynn Harris, Lex Helms, and Jim Sewell, minister.

"The bed tried to walk across the room, walls were shaking and I thought the windows were going to fall out," said Joyce Shaw of Little Rock.

State Trooper Jim Wooten, watching television in North Little Rock, said, "You couldn't stand up. The floor was shaking so bad that when I first got up off the couch, I couldn't stand up."

Mrs. Arthur Burks of Little Rock said the quake stopped one of her clocks. Jane Bartlett of Little Rock, dozing before her television set when the quake hit, was awakened when "it felt like someone lifted the end of the couch."

State Police at Clarksville said a man feeding his cattle reported that the ground shook and there was a loud rumbling and roaring noise for five to 10 seconds.

Portions of Eastern Arkansas are on the New Madrid Fault, scene of a devastating earthquake in 1811 that was measured later at 10 to 12 on the Richter scale.

Of Wednesday's tremor, J. W. Cudd of Little Rock said, "The whole house shook, the doors bumped and the curtains shook. Nothing broke, but we could hear the house popping."

A woman living in southwest Little Rock said the tremor "sounded like a train running over the house or under the floor."

Lee J. Massey of Little Rock said he thought his house had been struck by a car or an explosion.

Staff and patients at Ouachita Hospital in Hot Springs said they also thought an explosion had occurred. Authorities reported that the radio console of the State Police located in a Civil Defense fallout shelter at Huntsville was shaken.

Mrs. Opal Roach of Hazen, sitting in a Hazen service station, said the quake moved the cement floor of the station enough to shift her chair.

## Warm, Wet Weather for Arkansas

The U.S. Weather Bureau says a southerly flow of Gulf air around a high pressure system over Louisiana will bring warmer temperatures and scattered light rain to Arkansas tonight.

The forecast calls for occasional rain tonight chiefly in the southern portion of the state with lows tonight mostly in the 30s in the north to low 40s in the south. It is expected to turn colder Friday with a chance of rain mostly in the southeast portion.

Temperatures remained cool over the state New Year's Day with afternoon highs ranging from a high of 32 degrees at Walnut Ridge to a high of 45 degrees at El Dorado.

Lows reported around the state this morning ranged from 20 at Harrison to 35 at Texarkana. No rainfall was reported in the 24-hour period ending at 6:30 a.m. today.

The cost of living will go up and the joy in living stay about the same. Everyone over 40 will ask himself the age-old middle-aged question, "When does the fun begin?"

In a revolutionary experiment financed by the Ford and Carnegie foundations, teen-agers will launch an experimental university with themselves as faculty. Anyone over 65 will be able to attend tuition free.

Summary: All in all, a year the human race can put up with but one in which most will inescapably become 365 days older.

## SCANDAL

(from page one)

number of high school students." The second was designed to give part-time jobs of 8 to 15 hours a week to "young people who because of economic reasons are potential school dropouts." The third was intended to give summer jobs to disadvantaged youths. In each category, the enrollees were paid at least \$1.25 an hour.

In its report, the GAO questioned the eligibility of more than half the 2,592 enrollees in an out-of-school program sponsored by the mayor's committee.

It said an examination of the files of 794 participants showed that 263—or nearly one third—were high school graduates. Only six of the 263 files contained the required "written justification" for allowing the

graduates to receive federal paychecks.

"The review indicated that about 15 enrollees (in the program for dropouts) were attending college or were planning to attend in the fall..." the report said. It said still another spot check turned up a dozen more enrollees who "had expressed an interest in or were attending college."

This occurred, the report said, in a city where 7,000 students dropped out of school in a single year. It added: "We believe that the comparison of the significant number of school dropouts who are potential enrollees for the out-of-school program with the large percentage of high school graduates who have been accepted into the out-of-school program in Detroit, indicates the need for the MCHRD (Mayor's Committee) to direct its recruiting efforts to school

dropouts and the limited number of high school graduates which the program is designed to benefit."

Other spot checks raised questions about the eligibility of a third of the enrollees on the ground that their families were not in the low-income category.

Local sponsors, the GAO said, should conduct "more careful screening of youths prior to their enrollment." And it said the Detroit office of the Bureau of Work-Training Programs (BWTP) an arm of the Labor Department, should undertake "effective and continuous monitoring" of the Detroit programs. "We found a number of weaknesses in the operations of the sponsors in Detroit... which we believe could have been detected and corrected earlier through better monitoring by BWTP," investigators said.

The Labor Department, in a

departure from a general rule had allowed local sponsors to use funds supplied by other federal agencies to hire personnel for job training projects, the report said. Salaries of these employees, although partially paid by the federal government, were considered part of the local sponsors' contribution. Thus, the GAO said, the Detroit sponsors actually contributed only 6 per cent toward the projects' total cost instead of the required minimum of 10 per cent.

"We are taking no action concerning past violations of the principles involved," the report said. "However, the Secretary of Labor should take the necessary steps to ensure... that sponsors will not claim, as part of their required 10-per cent share, costs which have been reimbursed to them under other federal grant programs."

## Peace Talk Stalemate Persists

Associated Press Writer  
PARIS (AP) — The long lull in negotiations to get the Vietnam peace talks going again persisted into the new year with Hanoi standing fast on its last proposal and the United States and South Vietnam debating whether to accept it.

It has been two weeks since U.S. negotiator Cyrus R. Vance last bargained with Col. Ha Van Lau of North Vietnam over the shape of the conference table and other issues delaying the parley.

U.S. officials said the main diplomatic activity on their side at the moment is in Saigon.

A council wide reunion for the Girl Scouts who attended Camp High Point near Mena, Ark. last summer, was held at Springlake School in Texarkana, Texas on Monday, Dec. 30. Those attending from Cadet Troop 75 of Hope were Betty Honeycutt, Janet McCain, Rebecca Stuart, and their leader Mrs. Frank Somers.

### HOPE COUNTRY CLUB HOLD NEW YEAR'S EVE PARTY

Father Time centered the serving table at the New Year's Eve party at the Hope Country Club Tuesday, December 31. Balloons in different colors were hung

from the ceiling, and on the mantle greenery and candles surrounded silver letters that spelled Happy New Year.

Host couples, Mr. and Mrs. Clyde Monts, Mr. and Mrs. Bob Kellam, and Dr. and Mrs. Jud Martindale, served chips 'n' dips during the evening and at midnight smoked turkey and a variety of hors d'oeuvres were added.

Among the 100 guests were these from out of town: Mr. and Mrs. Al Williams, Texarkana; Mr. and Mrs. Ralph Saunders, Houston; Mrs. Cindy Owen, Arkadelphia; Butch Lang, Dallas; Susan Forster, U of A; Andy Bemis, Prescott.

### Coming, Going

Dr. and Mrs. Harve Rawson and family, Madison, Ind., and Mr. and Mrs. Paul Rawson, Jr. and family, Monroe, La., were holiday guests of Mr. and Mrs. Paul Rawson.

Bill Coffee, a student at the Southern School of Optometry in Memphis, is here with Mr. and Mrs. Clyde Coffee and the Clyde Monts family until this weekend.

Mr. and Mrs. Don Stevenson and family, Idabel, Okla., and Mr. and Mrs. Ralph Saunders and Dana, Houston, have returned home after a visit with Mr. and Mrs. Raymond Jones.

Miss Jean Laseter, Hot Springs, is spending a few days in Hope with friends and relatives.

Charlene Wiggins and Mrs. C.F. Wiggins went to Arkadelphia for Christmas with Mr. and Mrs. C.J. Kimbrough and daughters.

Sgt. Rodney Dale Cash, Phoenix, Ariz., spent the Christmas holidays with Mr. and Mrs. Rodney Cash in Cleveland, Tenn., and en route back to his base in Arizona he spent the weekend with his grandparents, Mr. and Mrs. Robert Cash.

Mr. and Mrs. Lester Kent and Sonny went to Jonesboro, Tenn., for Christmas with Judson Thornton and two daughters.

The portrait of Alexander Hamilton, first secretary of the treasury, appears on the U.S. \$10 bill.

## Engagement Announced

MISS MARTHA ANN GREENWALD

Mr. and Mrs. William J. Greenwald of Greenwich, Connecticut have announced the engagement of their daughter, Miss Martha Ann Greenwald, to Richard Kurt Cummings, son of Mr. and Mrs. Joseph P. Cummings Jr. of Larchmont, New York.

Miss Greenwald attended the University of Maryland in Trapp, Libya, and will graduate in March from Katharine Gibbs School in New York. Her grandparents are the late Mr. and Mrs. Thomas S. Greenwald of Sugar Land, Texas, and Mrs. W.P. Singleton of Hope, Arkansas and the late Mr. Singleton. Her father is Gas Coordinator of Standard Oil Company (N.J.). Mrs. Greenwald will be remembered as Martha Ann Singleton of Hope.

Mr. Cummings, a graduate of the University of Notre Dame, is

associated with Lybrand, Ross Bros. and Montgomery in New York. He is the grandson of Mrs. Joseph P. Cummings, Norwich, Connecticut and of the late Mr. Cummings, and of Mr. Kurt Lutz, Stamford, Connecticut and of the late Mrs. Lutz. His father is a partner of Peat, Marwick, Mitchell & Co. in New York.

## Restraint in Doctor Fees Is Asked

WASHINGTON (AP) — Pressure is building in Congress for controls on escalating doctor fees under the medicare program, administration sources say.

Wilbur J. Cohen, secretary of health, education and welfare, warned of possible controls Tuesday in announcing he won't increase the \$4-a-month premium the elderly pay to get coverage of doctor bills.

If the nation's doctors don't hold their fees to present levels, Cohen told a news conference, "I can only believe that Congress will do something more, and it may be something they do not like."

High level aides in Cohen's department said he is convinced the "something more" would be a limitation on fees for which doctors could be reimbursed. He has said previously that Congress might institute a fee schedule.

But while the doctor-fee premium will not go up, patients' contributions for hospital benefits under medicare go up after today to cover the first \$44 of costs instead of the first \$40.

After 60 days in a hospital, patients begin paying \$11 a day instead of the present \$10. After 90 days, they begin paying a \$2 a day instead of the present \$20.

The increases apply to patients who enter hospitals after today.

Doctor fees jumped about 7.5 per cent in 1966-67, the first year of medicare, and rose another 6.1 per cent in 1967-68.

Cohen said his decision against a raise in the premium was made in spite of a prediction by his top actuarial aide that doctor fees will go up another 5 per cent in 1969. Such an increase would require a 40-cent raise in the premium to \$4.40 if the program were to remain in the black, he said.

But the secretary concluded that raising the premium would invite higher doctor fees.

"They rule out the need for premium increases in the future by their own actions," he said.

The elderly then would get doctor-fee coverage automatically, as they now receive hospital coverage. All costs then would come from Social Security, to which wage earners must contribute in their working years.

### Bleach Off Mildew

To remove moss and mildew from tile roofs, patio stone or brick, wash first. Then make a solution of 4-cup liquid chlorine bleach per gallon of water. Keep the surface wet with the solution for five to 15 minutes. Rinse well. Repeat if necessary.

## Television and Radio

By CYNTHIA LOWRY

AP Television-Radio Writer NEW YORK (AP) — You might say with a certain degree of truth that if you've seen one Rose Parade, you've seen them all—the slow-moving floats with their millions of flowers, the pretty smiling girls, the proud bands and horses, the jarring commercial flavor of an occasional entry or TV stars in conspicuous spots.

It matters not at all because watching Pasadena's annual day in the national sun, followed by marathon football viewing,

has become established New Year's Day tradition.

This year, it seemed, the floats were more beautiful and more elaborate than ever.

CBS once again had Bess Myerson and Mike Douglas carefully handling the descriptions and the credits. Betty White, who over the years had done NBC's Rose Parade commentary so often she can confidently depart from the program notes, had Raymond Burr sharing the assignment. They worked together nicely and often engaged in funny, spontaneous banter.

Then began the really serious viewing of the day that continued without pause until close to 11 p.m.—The college football

games. CBS moved directly to Dallas and the Cotton Bowl, NBC to New Orleans and the Sugar Bowl.

For the occasional football viewer, though, the big game is the Rose Bowl since it is part of the tradition. This year, if one listened to NBC sports announcers Curt Gowdy and Kyle Rote, the program should really have been called "The C.J. Simpson Show."

The University of Southern California's great running star did manage to score a touchdown with an 80-yard run but the afternoon was claimed by Ohio State.

The half-time entertainment by the two universities was impressive and both bands per-

formed with the precision of the June Taylor Dancers.

From the occasional football viewer, however, comes one complaint: Occasionally a player will be writhing in agony on the field after a play and the program cuts away for a couple of quick commercials, returning when the play is about to be resumed. Nobody bothers to inform the vast and concerned audience about the condition of the injured player.

Now, with the holidays behind, television can slip happily into its second season with a handful of new shows replacing the dropouts—starting next Sunday when NBC's "My Friend Tony" replaces the Phyllis Diller show.

## Ohio State Nat'l Champ Over So. Cal.

By HERSCHEL NISSEN  
Associated Press Sports Writer

No. 1 was an easy burden for Ohio State to bear but No. 12 turned out to be a catastrophe for Kansas.

It was "Ohio's finest hour" Wednesday as the top-ranked Buckeyes of Ohio State virtually assured themselves of the national collegiate championship by trampling runner-up Southern California and O. J. Simpson in the Rose Bowl 27-16.

And it was Penn State's finest minute as a last-gasp touchdown and second-chance, penalty-aided two-point conversion after Kansas was detected with 12 men on the field gave the third-ranked Nittany Lions a thrilling 15-14 triumph in the Orange Bowl.

It was a New Year's Day guaranteed to give the most avid college football fan a television hangover. The armchair quarterbacks were able to sit by the fireside and watch one bowl game after another for nine solid hours.

Texas walloped Tennessee 36-13 in the Cotton Bowl and Arkansas trimmed previously unbeaten Georgia 16-2 in the Sugar Bowl, convincing victories for the Southwest Conference over their Southeastern rivals that set at least one SEC coach to wondering whether "maybe we better take a hard look at ourselves in the conference."

The only remaining games on the post-season college slate are the Hula Bowl at Honolulu and the American Bowl at Tampa, Fla., this Saturday and the Senior Bowl at Mobile, Ala., Jan. 11.

Ohio State's defense that shut off the fabulous Simpson in the second half was the big factor in Ohio State's Rose Bowl triumph before 102,063 fans, including President-elect Richard Nixon. "Our defense was fabulous," chorused Coach Woody Hayes.

Heisman Trophy-winner Simpson cracked Ohio's defense for 137 yards in 18 first-half carries, including a scintillating 80-yard broken field scamper that put the Trojans ahead 10-0. But he managed only 34 yards in 10 carries during the second half. Simpson also caught eight passes for 85 yards.

The Buckeyes tied it with 10 quick points just before halftime. Jim Roman's 25-yard field goal put them ahead in the third period and they turned fumbles by Steve Sogge and Simpson into fourth-period touchdowns as Rex Kern passed four yards to Leopold Hayden and 16 to Ray Gilliam.

That was enough to carry the Buckeyes to a 10-0 campaign and rob the previously unbeaten and once-tied Trojans of any chance of recapturing the No. 1 ranking they held for most of the season.

"The 1968 Ohio State University team is the greatest in the history of Ohio," exclaimed the state's chief executive, Gov. James A. Rhodes. "Not taking anything away from former great teams, this team is truly the undisputed No. 1 team in the nation. It is coached by the No. 1 coach, Woody Hayes, in behalf of all the people of Ohio, we congratulate and salute our greatest team in Ohio's finest hour."

The Kansas dressing room in Miami was a far cry from that of jubilant Ohio State in Pasadena. An hour after 77,719 spectators had watched Penn State's miracle finish, Kansas linebacker Rick Abernathy sat on a bench still in uniform, head buried in his hands and tears trickling through his fingers.

"He was the 12th man on the field," whispered a teammate, "Leave him alone."

Quarterback Chuck Burkhardt, whose 47-yard bomb to Bob Campbell set things up, had circled left end from three yards out on a busted play to bring the unbeaten Nittany Lions within a

point with only 15 seconds remaining in the only night game. Then, his attempted two-point conversion pass misfired, but the 12th man infraction gave Penn State another chance and Campbell crashed over.

"It was my fault," said Kansas Coach Pepper Rodgers. "When I send a player into the game, it's my responsibility to see that someone comes back out."

Sixth-ranked Kansas had broken a 7-7 tie early in the final period when Donnie Shanklin returned a punt 46 yards to the Penn State seven and John Riggins smashed across from the one.

One of the first questions thrown at Rodgers was why he didn't order a field goal from a fourth-and-one situation on the Penn State five with just over four minutes left. The three points would have meant an insurmountable 17-7 lead.

"When I need less than one or two yards for a first down, I am not afraid to go for it," Rodgers answered. "I thought we had a very good chance to make it. First of all, we have a fine fullback, and, secondly, if we did not make it we would still be in a very good defensive position."

Texas blasted Tennessee before 72,000 despite 33-degree weather in the Cotton Bowl with an awesome attack that piled up 279 yards on the ground and 234 in the air. The crushers were touchdown passes covering 78 and 79 yards from James Street to Charles "Cotton" Speyrer.

Meanwhile, the Longhorns' "Flying Foursome" backfield of Street, Chris Gilbert, Ted Koy and Steve Worster chewed up Tennessee's proud defense like a cardboard box.

"I kinda thought we might hit the bomb," said Texas Coach Darrell Royal. And Speyrer added: "We noticed the safety man was firing into the line and not paying attention to me. Coach told me to blow past him. It worked pretty well."

Royal, who had forecast a tossup, said it was hard to give a halftime pep talk with a 28-0 lead "because you know you're playing a good team. The thing that had me worried the most was that we'd make a mistake. That's why we punted on third down. We didn't want to do anything that would give them life."

Georgia's great defense, which had yielded a national low of 98 points in 10 regular season games, met its match in Arkansas before 82,113 in the Sugar Bowl. The Razorbacks scored on a 27-yard pass from Bill Montgomery to Chuck Dicus and Bob White booted field goals of 34, 24, and 31 yards.

Dicus, a swift sophomore grabbed 12 passes for 169 yards and Montgomery, another rookie, equaled the Sugar Bowl mark of nine straight completions.

It was a disastrous New Year's period for the SEC. Alabama was routed by Missouri in the Gator Bowl and only Auburn and Mississippi managed victories in the Sun and Liberty Bowls, respectively. Georgia Coach Vince Dooley pointed out a possible factor—the SEC gives only 40 football scholarships a year to 50 for Southwest teams.

In the Bluebonnet Bowl New Year's Eve, Southern Methodist scored three touchdowns in a wild fourth period and nipped Oklahoma 28-27.

## No. 6 Santa Clara Wins Over O. C.

By MIKE RECHT

While most everyone else was playing football, Santa Clara used New Year's Day to get a head start in 1969 on the rest of the nation's Top Ten basketball teams.

The unbeaten Broncos celebrated their new No. 6 ranking by dropping Oklahoma City 92-82 on the West Coast on a light night in college basketball.

## Simpson and So. Cal. Lose to Buckeyes

By HAL PARIS

Associated Press Sports Writer PASADENA, Calif. (AP) — Ohio State football Coach Woody Hayes heads for Vietnam on Friday with the National Collegiate football championship firmly entrenched in his capable hands.

It will be the fourth goodwill jaunt for the veteran Buckeye mentor who scored his third Rose Bowl victory New Year's Day—an impressive 27-16 decision over Southern California.

The outcome left little doubt that the No. 1-ranked Buckeyes were as good as their press clippings. But Hayes heralded the victory as his most precious in a Rose Bowl clash.

"This is my greatest bowl victory," the jubilant Hayes said afterwards. "After all, both teams were unbeaten."

The dean of Big Ten coaches wasn't ready to call his sophomore-laden club his best ever in an illustrious 18-year career.

"I still consider my 1954 team my greatest," he said. "We had four great backs that year."

Aspiring Southern California, the nation's second-ranked team, stunned the Bucks by opening a 10-0 lead in the second quarter.

Brilliant O. J. Simpson led the first Trojan thrust by gathering in three passes from Steve Sogge for 53 yards. A stout Buckeye defense stiffened on the three and Ron Ayala booted a 21-yard field goal.

Minutes later, Simpson, two-time All-American and Heisman Trophy winner, electrified the 102,063 fans by breaking off left tackle and cutting back to the right on a spectacular 80-yard touchdown gallop.

The faithful Buckeye followers didn't have long to wait for an Ohio comeback.

Quarterback Rex Kern, a superb field general, directed the Bucks on a 13-play, 69-yard march with fullback Jim Otis cracking the final yard for the score.

"After we fell behind 10-0, I told the guys in the huddle that we better get rolling and quit messing around," Kern said.

With only 72 seconds remaining in the half, Kern completed three passes for 38 yards and set up the first of two field goals by Jim Roman.

The 26-yard three-pointer with three seconds left evened the count at intermission.

"Getting that field goal was a big psychological advantage for us," Hayes said. "I felt we would win even after we got behind. I knew we would move the ball better."

The veteran coach singled out his defensive unit as the big factor in the victory.

"Our defense in the second half was fabulous. It was about as good as our best effort earlier when we beat Purdue 13-0," Simpson, who ripped through the Bucks for 137 yards in 18 first half trips, was limited to only 34 in 10 carries in the second period.

"O. J. broke the big one in the first half but we did a good job stopping him later. He is a tremendous player," Hayes said.

## Celtics Beat Phoenix Suns by 93 to 87

Editors: Because there were only two games in the NBA and one in the ABA last night, we are filing a combined pro basketball roundup for Thursday P.M.

By THE ASSOCIATED PRESS  
The Boston Celtics waited an extra day to bring in the New Year with one of their typical binges, and it left the Phoenix Suns with a headache.

The Celtics, famous for their explosions that led them to many a National Basketball Association title in recent years, erupted for 11 of the first 12 points in the fourth quarter and beat the Suns 93-87 Wednesday night.

In the only other game, San Francisco rode by Cincinnati 106-101 in Cleveland behind Nate Thurmond and Rudy LaRusso.

In the American Basketball Association's only contest, Los Angeles stopped Houston 123-94 in Los Angeles.

Phoenix, playing at home, was leading the Celtics by three points after three quarters when Boston made its big noise. John Havlicek was the loudest with three baskets in the fourth, and then Emmette Bryant hit several long jump shots to keep the sound resounding in the Suns' ears.

Havlicek and teammate Billy Howell finished with 17 points each in the defensive struggle, while Dick Van Arsdale had 22 for the Suns.

## Hog Defense Wraps Up Sugar Bowl

By RON SPEER

Associated Press Sports Writer NEW ORLEANS, La. (AP) — Arkansas's disparaged defenders stole the show in the Sugar Bowl, which had hoped for an explosive offensive duel between the Razorbacks and Georgia.

"All 11 defensive men played a great game," Coach Frank Broyles said. "Our defense was something else."

The defenders, criticized all fall while the offensive team drew the plaudits, swept the Razorbacks to a 16-2 conquest of Georgia in the Sugar Bowl Wednesday.

"They stopped us every time we had an opportunity to do something," said Coach Vince Dooley, who said he was surprised at the way the Arkansas defenders played. "How did they give up that many points during the season?"

The Razorbacks yielded 187 points last fall but the defense didn't allow anything out of Georgia, which kept from being blanked by scoring on a safety when Arkansas' Bill Burnett was tackled in the end zone.

Arkansas recovered five Georgia fumbles and picked off three passes, and Dooley crediting the Razorbacks with causing the Bulldog bobbles.

"Arkansas gave us a good, sound licking," Dooley said. "They evidently wanted the game worse than we did."

The loss was the first of the season for Georgia, ranked fourth nationally, and the Bulldogs' point total was their smallest ever in five campaigns under Dooley.

Arkansas' offense didn't exactly tear up the place, either, with Bill Montgomery tossing a 27-yard touchdown pass to Chuck Dicus for the only touchdown in the 35th annual football classic watched by 82,113.

The Razorbacks, finishing the season with a 10-1 record and hoping to advance above their ninth place nationally ranking, got their other points out of kicker Bob White.

White hit on field goals of 34, 24 and 31 yards to clinch the victory for Arkansas.

"This was one of the real great national victories in the 11 years I've been at Arkansas," Broyles said. "It was the greatest team effort I've been associated with."

Dicus, a sticky-fingered sophomore, was named the most valuable player for his catches. He grabbed 12 passes for 169 yards to keep the Razorbacks' rolling.

"Dicus' catches really helped them," Dooley said. "He was something."

Dooley said the whipping suffered by his Southeastern Conference champions—plus thrashings handed to Alabama and Tennessee in other bowls—may be a sign that the SEC is losing its reputation as one of the country's toughest leagues.

"Maybe we better take a hard look at ourselves in the conference," he said. "Something may be happening that we ought to know about — maybe it's a trend."

Dooley said that SEC schools are limited to 40 football grants a year, while Southwest Conference teams give out 50. Arkansas tied for the Southwest title.

However, Broyles said he thinks the fact that none of the Arkansas players had been to a bowl may have helped fire up the Razorbacks.

## Highlights of 1969's Bowl Games

By THE ASSOCIATED PRESS  
Ohio State, Penn State, Texas and Arkansas were the Bowl Game winners New Year's Day as the college football season ended.

Ohio State, ranked No. 1, defeated Southern California 27-16 in the 55th renewal of the Rose Bowl at Pasadena, Calif. Unbeaten Penn State used a last-minute touchdown and two-point conversion to beat Kansas 15-14 in the Orange Bowl at Miami.

Texas battered Tennessee 36-13 in the Cotton Bowl at Dallas and Arkansas whipped Georgia 16-2 in the Sugar Bowl at New Orleans.

Sophomore Rex Kern threw a pair of fourth quarter touchdown passes for Ohio State as the Buckeyes, who trailed at one point by 10-0, came back to beat USC in the Rose Bowl. O. J. Simpson, Southern California's Heisman Trophy winner as the top collegiate player in the country, raced 80 yards for a touchdown and gained 171 yards rushing in the game.

Bob Campbell caught a 47-yard pass from Chuck Burkhardt to set up Penn State's late touchdown and then bulled his way into the end zone for the two point conversion that beat Kansas in the Orange Bowl. Penn State missed on its first try at the two points but a Kansas penalty gave the Nittany Lions a second chance.

In the Cotton Bowl, two long touchdown passes, one for 78 yards and the other for 79, from James Street to Charles Speyrer, led Texas past Tennessee. The Longhorns just wore down Tennessee's defenses.

Arkansas' defense was the key in the Sugar Bowl against Georgia. Bob White kicked three field goals for the Razorbacks and flanker Chuck Dicus caught 12 passes for 169 yards and the only touchdown of the game.

Street, whose only claim to fame at Texas until this season was that he was a good baseball pitcher, literally picked the heralded Vol defense apart.

Without once calling a pass, Street directed Texas 80 yards in 13 plays in the first period with Worster, a sophomore, building across from 14 yards out.

Then Street stung the Vols with a totally unexpected play from the Texas 22.

Operating from the Longhorns' unique "Wishbone-T" or "Y" formation, Street faked beautifully drawing the Tennessee secondary in a step. He lofted a shot to sophomore Speyrer, a 168-pound gaffly split end who caught the ball, faked defensive back Jimmy Weatherford out of position and roared home.

Speyrer was the only receiver out on the play. It was the first time Texas had used it off the triple-option.

"I kinda thought we might hit that bomb," said Texas Coach Darrell Royal.

In the third quarter, Street and Speyrer teamed up on almost the exact carbon copy—only one yard longer.

Street, named the game's most valuable offensive player, hit 7 of 13 passes for 200 yards. Speyrer snared five of the passes for 161 yards.

Fifth-ranked Texas rolled up a massive 513 yards in total offense—279 on the ground and 234 in the air. The other touchdowns came on Koy's nine-yard run and Gilbert's five-yard dash.

Vol Coach Doug Dickey replaced starting quarterback Bubba Wyche with soph Bobby Scott, who threw a 17-yard touchdown pass to Gary Kreis and a 3-yard scoring pass to Mike Price.

## Tennessee Is Cut Down by Texas 36-13

By DENNE H. FREEMAN

Associated Press Sports Writer DALLAS, Tex. (AP) — Texas used the lance and the sledgehammer with equal deadliness in executing bewildered Tennessee 36-13 Wednesday in the 33rd annual Cotton Bowl classic.

The "lance" was an especially concocted aerial from quarterback James Street to swift and elusive Charles "Cotton" Speyrer. The first strike went for a 78-yard touchdown. The second bomb—also Street to Speyrer—and run covered 79 yards for a score.

The "sledgehammer" was the brutal, ground-trembling runs of Texas' flying foursome.

Street, All-America Chris Gilbert, Ted Koy and Steve Worster galloped for 250 yards and three touchdowns through the physically whipped Volunteer line.

Tennessee was rather awed by the devastation.

"I have never seen a backfield as balanced as theirs," said Vol All-America guard Chalmers Rosenfelder. "Texas is one of the better, if not the best team I have played against in my three varsity seasons."

Tennessee Capt. Dick Williams said, "Their execution killed us. You couldn't tell what was happening. He (Street) did a great job. He knew what to do."

## Jayhawks' Orange Bowl Error Fatal

By RALPH BERNSTEIN  
Associated Press Sports Writer. MIAMI (AP) — A 12th man on the field gave Penn State a second chance for a winning two point conversion with 15 seconds remaining and the Nittany Lions made it for a 15-14 victory over Kansas in the Orange Bowl New Year's night.

Halfback Bob Campbell ripped into the end zone for the deciding conversion which preserved Penn State's unbeaten season and left a shell-shocked Kansas team in his wake.

An hour after the frantic flinch, the 12th man, junior line-backer Rick Abernathy sat in the Kansas dressing room, his head cupped in his hands and tears streaking his face.

Third-ranked Penn State appeared beaten when a pass for the two points fell incomplete, leaving Kansas with a 14-13 lead. A red flag, however, lay on the goal line as players streamed off the field. An official had counted 12 Jayhawks in the lineup on the play.

Penn State wasn't about to stare a gift horse in the mouth. Given a second chance, this time from the one-yard line, the Nittany Lions made it good for their 11th victory in a perfect season.

The finish stunned a crowd of 77,719, which had begun to file out thinking the game was over and Kansas had won. Even the Nittany Lions' tying touchdown was something out of fiction. It came on a busted play.

Penn State trailed 14-7 with 128 remaining. Kansas, with a fourth down and 23 at its 25-yard line, was forced to punt. Penn State put on a 10-man rush and defensive halfback Neal Smith partially blocked the ball which was covered at the Kansas 49.

On first down, Penn State ran what Coach Joe Paterno called a "go pattern" with quarterback Chuck Burkhardt passing to Campbell, who grabbed the ball over the head of Kansas defender Tommy Anderson and fell at the Jayhawks' three-yard line.

Two smashes by fullback Tom Cherry netted absolutely nothing against the stubborn Kansas defense. Then, Burkhardt, the unsung quarterback of the third-ranked Nittany Lions, rolled to his right and raced three yards for a touchdown.

Actually, Burkhardt was supposed to hand off the ball to halfback Charley Pittman, but a Kansas defender got between them and Burkhardt had no choice but to run for his life into the corner. He scored standing up, setting up the most dramatic finish in the 35-year history of the Orange Bowl.

Kansas built its 14-7 lead with a first period touchdown scored by Mike Reeves at the end of a nine-play, 45-yard drive. Penn State tied it in the second quarter.

## Hope Plays at Bodcaw 6 Tonight

By RALPH ROUNTON  
Star Sports Writer

This morning brought an end to the school holiday break, and the basketball teams waste no time in starting the new year by traveling to Bodcaw for a three-game set beginning at 8:00 p.m. tonight.

In the first game the Hope Junior Girls play their Bodcaw counterparts, as the locals try for their second consecutive win.

On December 20 the Hope girls won Springhill 2-35.

Preparing for a showdown with almighty Ashdown in Jones Field House on Saturday evening, the Lady Cats take the court in the second contest tonight to attempt to continue their mastery over the past few years against Bodcaw. Charlotte Gibson's girls are presently 3-6, and will likely be stale from the two-week layoff.

The Bobcats used the time off for a lot of extra practicing, and a congregation of non-starters will take on the Bodcaw Blue Devils in the finale at 8:30 p.m. This "B" squad made a spirited comeback to overcome the Springhill Bears 71-68 in their last outing.

Tomorrow night sends the Bobkittens, Bobcats, and possibly the "B" Lizards to Magnolia for a non-divisional 4-AA contest against the Panthers. Then on Saturday the Lady Cats and Bobcats return home to host Ashdown in Jones Field House.

A little checking into the post-season bowl results shows that the Southwest Conference fared the best in the nation, sporting a perfect 3-0 mark. The only other unbeaten conference was the Big Ten, whose Ohio State captured the national championship in the Rose Bowl by knocking Southern Cal and O.J. Simpson 27-16. The Big Ten only allows their champion to go to a bowl, and they go to the Rose Bowl by contract.

Arkansas and Texas established supremacy for the Southwest Conference over the Southeast, with the Porker's 16-2 Sugar Bowl licking of SEC champ Georgia and Texas 36-13 walk over Tennessee in the Cotton.

One relishes the thought of the SWC's outlook for 1989. Arkansas loses less than a third of its 22 starters, and Texas mainly will lose Chirs Gilbert. The SMU has Chuck Hixon, the nation's leading passer, for two more years to pull off such comebacks as the Ponies' 28-27 back-breaker over Oklahoma in the Astro-Bluebonnet Bowl on New Year's Eve.

Alfred E. Smith was known as "the Happy Warrior."

## Mountbatten Takes Up T. V. Acting

LONDON (AP) — Lord Mountbatten, 67-year-old cousin of Queen Elizabeth II and a former British defense chief, took up television acting Wednesday as hero of a 12-part color series about his life. It takes him back to such scenes as India and Southeast Asia, where he was allied commander in World War II.

## Vietnam Deaths at Low Mark

By GEORGE MCARTHUR  
Associated Press Writer

SAIGON (AP) — The year 1968 ended with the lowest weekly American death toll since the bombing of North Vietnam ended, the U.S. Command reported today. But the number of South Vietnamese dead was the highest in three months, indicating an increasing part in the war by the Saigon government's troops.

The reported toll of enemy dead was as usual, above 2,000 and five times the allied total. Communiques today reflected the recent changed nature of the war—small, widely scattered ground actions, the uncovering of more enemy supply dumps, and the shelling of allied posts coupled with enemy hit-and-run attacks.

The death of 113 American servicemen Christmas week was the lowest in 10 weeks. South Vietnamese losses in the same week were 279 dead, the highest in 13 weeks, while 2,135 Viet Cong and North Vietnamese were reported killed.

The casualty report covered the Christmas truce period, and the figures indicated the ceasefire was only nominally observed.

The cease-fire declared by the Viet Cong command for New Year's ended early today, and shortly after two American bases and one South Vietnamese post were shelled.

No significant ground action was reported, although American and South Vietnamese troops were patrolling up and down the country.

North Vietnam claimed its gunners in Ha Bac Province brought down a pilotless U.S. reconnaissance plane today. The U.S. Command does not comment on the activities of pilotless planes "over the North."

Since the U.S. and South Vietnamese commands did not declare a New Year's truce this year, there was no question of any violations. A U.S. spokesman said the war "went on at about the same level—it wasn't as bad as it has been and it wasn't as good as it could be."

## Dicus Tall Man in the Sugar Bowl

By HARRY KING  
Associated Press Sports Writer

NEW ORLEANS (AP) — Several Arkansas football players were outstanding in Wednesday's Sugar Bowl, but Razorback flanker Chuck Dicus stood just a little taller than the rest.

Dicus, a 171-pound sophomore, caught 12 passes for 169 yards and the game's only touchdown as the Razorbacks upset previously undefeated Georgia 16-2.

"Dicus has been exceptional in every ball game," said Arkansas Coach Frank Broyles. "He's a fine receiver and he's tough to get down when he gets the ball under his arm."

"No. 20 (Dicus) really hurt us," said Georgia Coach Vince Dooley. "He made some big plays."

Dicus' touchdown catch was a 27-yard fingertip grab. He also made a diving catch of a 35-yard pass to spark Arkansas' drive toward a second quarter field goal and a 10-2 halftime lead.

"He's unbelievable," said quarterback Bill Montgomery. "He's been doing a great job all year."

Dicus got behind All-American safety Jake Scott on the touchdown pass.

"Scott has tremendous speed," said Montgomery, "but we felt like we might be able to beat him inside."

"Georgia has the best secondary we've played against," said Dicus. "No doubt, Scott is an All-American."

Everyone in the Arkansas dressing room praised the likeable, good-looking Dicus, named the most valuable player in the game.

"He's a terrific football player," said Arkansas defensive coach Charley Coffey.

"He'll be an All-American before he gets out of here," said senior tailback David Dickey.

"I'd hate to be playing against him the next two years," said All-American guard Jim Barnes. Barnes also offered a theory on why the Razorbacks, ranked ninth in the pre-bowl ratings, had defeated Georgia, ranked fourth.

"I have never been associated with a bunch of boys like this," said Barnes. "They're given up more and sacrificed more than any group I've ever seen."

"That's why we went 9-1 this year and why we won out there today," he said.

"We didn't come to New Orleans until Sunday night and everybody has been in their rooms at 10 p.m.," he said. "I went down on Bourbon Street for one hour Monday afternoon but nobody's been down there at night."

Broyles and the Razorbacks, co-champions of the Southwestern Conference, enjoyed a psychological advantage over Georgia, champions of the Southeastern Conference.

"We've been the underdogs for 35 days," he said. "Georgia had been to three straight bowl

games. We don't have a boy who had ever played in a bowl game before.

"We were ready," Broyles said. "No one rated us high all year. We knew we had a good football team. In 1965 we were 10-0 and LSU was 7-3."

The Tigers upset the Razorbacks 14-7 in the Cotton Bowl that year.

"This was one of the real great national victories in the 11 years I've been at Arkansas," Broyles said.

Arkansas' defensive effort was its best of the season. The Razorbacks pounced on five Georgia fumbles and intercepted three Bulldog passes.

Time after time a different individual produced the drive-stopping play. The biggest came in the third period when Rick Kersey forced Brad Johnson to fumble out of the end zone from Arkansas' two-yard line.

Linebacker Guy Parker had 10 tackles and middle linebacker Cliff Powell recorded eight unassisted stops and seven assists. Defensive lineman Bruce James, Dick Bumpas, Bruce James and Kersey were each credited with five or more unassisted tackles.

"Our defense was something else," said Broyles. "Our game plan was to rush. The more successful we were, the more we rushed. The amazing thing was that we were able to stop their running game."

Broyles had classified Arkansas' defense as "suspect" before the season began. "Coach, is our defense still suspect?" asked McNulty. "Are you kidding?" said Broyles.

## SW Teams Win Three Bowl Games

DALLAS, Tex. (AP) — Southwest Conference football teams brought home three post-season bowl victories Tuesday night and Wednesday for a sports coup brimming with national prestige.

Southern Methodist, third in SWC standings behind co-champions Arkansas and Texas, led off New Years with a 28-27 victory over Big Eight co-cham-

pion Oklahoma in the Astro-Bluebonnet Bowl.

Texas downed Tennessee 36-13 in the Cotton Bowl Wednesday while Arkansas was whipping Georgia 16-2 in the Sugar Bowl.

The bowl victories equal the 1948 conference performance in which SMU beat Oregon 21-13 in the Cotton Bowl, Texas Hammered Georgia 41-28 in the Orange Bowl and Baylor downed Wake Forest 20-7 in the Dixie Bowl.

The battleship Arizona, sunk at Pearl Harbor, is considered still in commission by the Navy because 2,403 of her crew are still aboard—entombed when she was sunk.

## Koufax and Daughter of Widmark Wed

LOS ANGELES (AP) — Former Los Angeles Dodger pitcher ace Sandy Koufax, long considered one of the city's most eligible bachelors, has been taken out of circulation by the 23-year-old daughter of actor Richard Widmark.

Koufax, 32, and Ann Widmark were married New Year's Day at the Widmarks' home in West Los Angeles. Judge Lester Roth conducted the private ceremony.

Koufax was forced to retire from baseball in 1966 because of an arthritic left elbow. The southpaw pitcher set major league records by pitching four no-hit, no-run games during his career.

Miss Widmark is a graduate of Sarah Lawrence College in Bronxville, N.Y., and has been living with her parents.

Valuable Painting

There is no way to fix a money value on the famous Mona Lisa painting. A drawing by Leonardo Da Vinci, owned by the Royal Academy in England, is valued at almost \$2.5 million.

## THE DOCTOR SAYS

### Skiing Novices Need Preseason Conditioning

By WAYNE G. BRANDSTADT, M.D.

Skiing has become so pop-  
ular it is estimated that more  
than four million skiers will  
spend time on the slopes this  
season. Because of the large  
number of accidents, National  
Ski Safety Research has been  
studying ways to prevent them.  
Although the experts make  
skiing look easy, this sport is  
probably twice as strenuous as  
football yet it is doubtful that  
any other sport is entered into  
by so many persons who exer-  
cise too little, get too little  
sleep and drink too much.

The injury rate for novices  
is about eight times as high  
as that for experts. It is also  
high for an intermediate  
group who, after a few les-  
sons, develop a self-confi-  
dence out of all proportion to  
their skill. One way to pre-  
vent serious accidents is pre-  
season conditioning, a proce-  
dure that has become rou-  
tine for all other major sports.  
Even those who are in top  
condition should spend at  
least five minutes warm-  
ing up after they reach the  
top of the slope. The French,  
who are excellent skiers, rec-  
ommend a 20-minute period  
of calisthenics before start-  
ing downhill.

Proper binding adjustment  
is very important. In many  
ski injuries the binding is not  
released until after the injury—  
a fracture or a torn ligament—  
has occurred. A ski shop em-  
ployee or instructor can help  
you properly adjust the bindings.

Never ski without goggles or  
sunglasses. They protect you  
from both the sun and the  
wind. Sunburn is another  
hazard. You should carry a  
sun-screening agent with you  
and reapply it frequently  
while on the slopes because  
sweating and tumbling in the  
snow tend to wipe it off.

Finally, you should do as  
swimmers and divers do—  
use the buddy system so that  
in case of an accident one  
of you can apply first aid,  
go for help or direct a rescue  
party to the injured skier.

### Q—What are pastilles

made of?  
A—A pastille is a troche  
or lozenge—a medicated disk  
to be dissolved in the mouth,  
usually for hoarseness or  
sore throat. The ingredients  
vary. The term is also ap-  
plied to an aromatic mass  
or tablet which may be  
burned as a fumigant.

Q—I have mild diabetes  
and arthritis. Is sea water  
of any value for these  
diseases?

A—Sea water is sold at  
great profit to the gullible  
but it won't cure anything  
except a tendency to over-  
weight in your purse.

South noticed that he had  
made a serious mistake. He  
could have ensured his con-  
tract by rising with his king  
of diamonds at trick two and  
going after hearts. He could  
lose the heart finesse and re-  
lax. If East held a third dia-  
mond then West could not  
hold more than two more  
and three diamond tricks  
and a heart would not beat  
him. If West had started  
with five diamonds East  
would not have another dia-  
mond to lead.

Eventually West led the  
queen of spades. By this  
time South had worked out a  
line of play to make up for  
his carelessness at trick two.  
East's king. He returned to  
He let the queen hold. West  
continued with the jack and  
South let that card hold also.  
At this point a club shift by  
West would have defeated  
the contract but West played  
a third spade and South was  
able to make the hand with a  
Vienna coup.

He cashed three spades  
and the king of diamonds  
and discarded four hearts  
from dummy. East had to  
make three discards. The  
first was a club, the second  
a heart, the third impossible.  
He could not afford to throw  
another club and so let a  
heart go.

Now South led a heart to  
dummy's ace, dropping  
his hand with the ace of  
clubs in order to cash his 10  
of hearts. Dummy's king and  
queen of clubs were then  
good for the last two tricks.

## Scandal Is Disclosed in Poverty Pay

By GAYLORD SHAW  
Associated Press Writer  
WASHINGTON (AP) — Federal investigators have discovered that hundreds of high school graduates and even some college students have collected government paychecks under Detroit antipoverty programs set up to provide jobs and training for high school dropouts.

In a report to Congress, the General Accounting Office cited this as one of "a number of discrepancies" it found in examining Neighborhood Youth Corps programs in Detroit, where slums were scarred by a major riot in 1967.

The 82-page report disclosed that:

- Inadequate screening allowed some youths to receive federal assistance although their families did not meet the antipoverty program's low-income criteria.
- Antipoverty officials made little or no attempt to follow up on the progress of youths who completed training and thus had no way to gauge the programs' effectiveness.
- Sponsoring organizations indirectly used federal funds to help pay the local share of the programs' cost, and local sponsors paid only half their required 10 per cent.

The "weaknesses cited went undetected for months because federal officials assigned to insure compliance with antipoverty program requirements were performing very little monitoring of the NYC sponsor activities in Detroit.

The Associated Press reported last April 10 that GAO investigators were delving into operations of the poverty fighting efforts in the nation whose central anti-poverty agency is an arm of city government rather than an independent nonprofit corporation. The other is Chicago.

The GAO report centered on 16 neighborhood Youth Corps programs sponsored in fiscal 1966 and 1967 by one of three organizations—the Mayor's Committee for Human Resources Development, the city Board of Education and the Roman Catholic Archdiocese of Detroit. More than half the \$15.7 million in federal funds involved went to the first group, headed by Mayor Jerome P. Cavanagh.

The 16 projects fell into three categories. One type was set up to give 30 hours of work and 10 hours of training each week to "school dropouts and a limited

## Held as Speeder in Snowmobile

BUFFALO, N.Y. (AP) — Dennis E. Frey, 25, of Lancaster, will appear in Traffic Court in the town of Clarence Saturday to answer a charge of going 20 miles an hour over the speed limit—in a snowmobile. Officers charged Frey with zipping along at 55 miles an hour in a 35 m.p.h. zone.

## 156 Highway Deaths for New Year's

By THE ASSOCIATED PRESS  
Traffic accidents claimed a near-record toll in lives during the 30-hour New Year's holiday period which ended at midnight Wednesday.

With late reports still coming in, the count stood at 156 early today.

The record for a one-day New Year's driving period since World War II was 180, set in 1957, the last time the holiday ran 30 hours.

During a recent nonholiday midweek period of equal length, highway mishaps took the lives of 107 persons. The count was made by The Associated Press for a comparison with the New Year's toll.

The National Safety Council had estimated that 200 to 260 persons might die in traffic accidents during the period which began at 6 p.m. Tuesday.

Bad driving weather was common throughout the Pacific Northwest, over much of the Great Lakes region and in a large part of the Northeast during the holiday.

Last week's one-day Christmas driving period accounted for 231 traffic deaths.

The low toll for a one-day New Year's observance was 93 in 1946. During the three-day 1967 New Year's holiday, the toll was 376.

The period surveyed by the AP for comparison purposes ran from 6 p.m. Tuesday, Dec. 10 to midnight Wednesday, Dec. 11.

## DC-3 Plane Missing in Mexico

TAMPICO, Mexico (AP) — A search is under way for a chartered Mexican DC3 missing since Tuesday with 22 passengers and four crew members aboard.

Airport authorities at Tampico said the plane was carrying employees of the Mexican government oil monopoly, Petroleos Mexicanos, from Reynosa to a New Year's holiday in Tampico.

Radio communication with the aircraft was lost shortly after it took off from Reynosa, on the U.S. border opposite McAllen, Tex.

## Killer of 3 Suicide on Eve Capture

By HERBERT G. PELKEY  
Associated Press Writer  
WESTERVILLE, N.Y. (AP) — Ralph MacLachlan, a meat cutter who shot and killed his estranged wife and three other persons in a Wednesday night rampage, put a bullet through his head today as officers closed in, police reported.

Mrs. MacLachlan, 33, was shot as she and members of her family sat in their home in this central New York village. Her sister, Mrs. Jane Turke Ringrose, 35, and Mrs. Ringrose's 12-year-old daughter, Barbara, were killed at the same time. The other four occupants of the house were wounded before MacLachlan left.

Police said he then ran to the next-door home of Mrs. James Pepper, apparently to try to get the Pepper automobile. Mrs. Pepper's 10-year-old son, James Jr., was fatally wounded.

Mrs. Pepper was critically wounded, as were three other persons. Mrs. Pepper was shot in the head and spine.

Two other of her children saved their lives by hiding in a closet.

MacLachlan, officers said, stole a jeep from a service station and began a flight into the rough country of the Adirondack mountains that sit just above Westerville.

Early today the blue jeep was spotted by state troopers Dominick DePaola Jr., and Thomas Buck and they gave chase. MacLachlan fired three shots through the windshield of the troopers' automobile, then retreated inside a tractor sales house in the hamlet of Remsen, 10 miles east of Westerville.

DePaola and Buck were reinforced and volleys of shots were exchanged before MacLachlan shot himself to death.

No motive was established immediately, but officers said MacLachlan and his wife had been separated for about two weeks. MacLachlan, 37, was a 6-foot 2 out doors man. He worked in New York.

An alert went out for his arrest shortly after the shootings, which happened after 10 p.m.

A young girl called Oneida County Sheriff's Deputy James Campbell at 10:24 p.m. Wednesday and screamed: "Three people have been shot and I'm going to be shot next."

Campbell said: "I don't know what happened. She let out a scream and that was the last I heard."

Mrs. Pepper and the others wounded were taken to Rome-Murphy Memorial Hospital.

Cynthia Ringrose, 11, Robert Ringrose, 36, and Perry Turke, 68, also were in critical condition.

## Water Tank Falls, Town Drowned

POINT ARENA, Calif. (AP) — This coastal town of 3,000 got 1969 off to a wet start, its water works collapsed and 150,000 gallons of water poured down the main street at 1:50 a.m. Wednesday.

A spokesman for the privately owned system said the 30-year-old wooden tank burst under 1.5 million pounds pressure after the lowest metal hoop parted.

Damage from wetting and silting was minor.

## 84 Traffic Injuries in Hope in '68

Hope Police Chief Alvin Willis released the following year-end figures from his department, covering 1968:

Total number of accidents for the year was 329, resulting in 84 injuries, but no deaths. This compares to 323 for the year 1967 resulting in 66 injuries and no deaths.

The largest contributing factor was inattention, followed closely by failure to yield right-of-way. For example, 116 of these accidents were due to inattention and 77 from failure to yield.

Twenty-nine accidents were caused by drinking following too close to another vehicle, 25; speeding too fast for the condition of the road, 11; and 8 accidents were caused by person driving on the wrong side of the road.

## Israeli War Planes Bomb Arab Guns

By THE ASSOCIATED PRESS  
Israeli warplanes attacked Arab positions in Jordan today to silence guns which had fired on an army patrol, an Israeli army spokesman reported.

The spokesman said the planes roared in low over the Jordan River near Beit Yosef, 10 miles south of the Sea of Galilee.

No further details of the attack were available immediately.

The army also said it intercepted and drove back a band of saboteurs who had crossed from Jordan into Israel near Massada, just south of Galilee Wednesday night.

The spokesman said Israeli troops found an assault rifle and a bag of antipersonnel mines in a search of the area.

Jordan reported earlier that armed Israeli helicopters struck at Jordanian forces in the southern desert Wednesday and that a Jordanian soldier was killed.

There was no admission of the attack from the Israelis, but the same area along the Jordanian-Israeli frontier was the scene of an Israeli helicopter attack Tuesday in which three Jordanian security police were killed.

A Jordanian spokesman in Amman said that on Wednesday five Israeli helicopters crossed the frontier with a jet fighter escort and machine-gunned Jordanians near the frontier village of Ghazal, 40 miles north of the port of Aqaba. In addition to the soldier killed, two civilians were wounded in the attack, the spokesman said.

The attack was reported less than 12 hours after the U.N. Security Council condemned Israel for the commando raid Saturday in which 13 Lebanese commercial aircraft were destroyed at Beirut's International Airport.

Because of the Beirut airport attack, London underwriters announced a 500 per cent increase in war risk insurance rates for goods shipped to or from Israel and half a dozen of her Arab neighbors. For example, \$240 worth of coverage will cost 90 cents instead of 18.

## Attached to Steering-Wheel

CINCINNATI, Ohio (AP) — Jerry Kennedy of Cincinnati became quite attached to a new steering wheel on her boyfriend's car Wednesday night.

As the 18-year-old girl drove the auto into a restaurant parking lot, her finger became lodged in a porthole of the steering wheel brace.

She tried unsuccessfully for half an hour to free it. A waitress called the Life Squad which took 15 minutes to ease her finger out of the porthole by using a bar of soap.

## Murder of 17-Year-Old Is Mystery

By LINDA DEUTSCH  
Associated Press Writer  
HOLLYWOOD (AP) — The pretty 17-year-old daughter of an actress and a novelist, home on Christmas vacation from college, was found slain late Wednesday at the bottom of a thick wooded ravine.

Dark-haired Marina Elizabeth Habe, daughter of Hans Habe of Zurich, Switzerland, and Eloise Hardt, was last seen when she left on a date Sunday night.

"She was definitely murdered," said Sheriff's Lt. Norman Hamilton who was at the scene when the body was recovered. However, he said the cause of death would not be announced until after a coroner's autopsy. Witnesses said there were no visible marks on the body.

"A lot of detectives have some ideas on this," he said, "and we want to hold off until we can investigate them. It's important that this body be properly examined."

No arrests were made, but Sheriff's Lt. Harold White said an alarm had been issued for a car seen near the girl's home early Wednesday morning. He said the male driver tried to molest a woman.

The girl's home in the Hollywood Hills is located about four miles from the ravine where Marina was found. Officers said the ravine, clogged with thick brush, is off Mulholland Drive, a road known as a lovers lane.

Pish chomies dot the hills. Nearby are houses owned by singer Robert Goulet and former presidential press secretary Pierre Salinger.

A search party found Marina's body about 30 feet down a slope. Searchers went there after a woman walking on Mulholland Drive reported finding a purse. In it were Marina's compact, credit cards and a small amount of money.

Nixon Faces Physical Checkup

LOS ANGELES (AP) — President-elect Nixon gets his first thorough physical examination in 14 months today. A spokesman described it as a routine checkup.

Nixon is seeing Dr. John Lunsden of Long Beach, his long-time personal physician, for an examination expected to last about 2 1/2 hours. Lunsden traveled with the President-elect during the campaign and said then the candidate's health was excellent.

Press assistant Ronald L. Ziegler said the visit to Lunsden was routine. He said Nixon has such a checkup about once a year.

Nixon was to drop in later at a luncheon honoring Lt. Gov. Robert H. Finch of California, who is to be his secretary of health, education and welfare.

Tonight, the President-elect and his wife will go to Anaheim for what is billed as a welcome home to his native Orange County. That is being held at the arena of the Anaheim Convention Center, and it apparently will amount to a testimonial rally.

Football fan Nixon went to the Rose Bowl in Pasadena Wednesday, watched Ohio State Uni-

sity defeat the University of Southern California, and said both were great teams.

"A great game," Nixon said. He said USC mistakes—a rash of second-half fumbles and interceptions—made the difference.

The score: Ohio State 27, USC 16. "They were a little better, just a little, a little stronger in the line," Nixon said of Ohio State's Buckeyes.

But Nixon maintained his neutrality. "I'm happy because Ohio State is happy," he said. "I'm sad because Southern California is sad."

Nixon had a football analyst at his side, former Oklahoma coach Bud Wilkinson, a friend and political ally. Their wives sat beside them.

At halftime, as Nixon and his party walked across the field from the Ohio State to the Southern California stands, Mrs. Nixon posed for photographs with the Rose Bowl queen, "Two queens," Nixon said, smiling.

He traveled to and from the Rose Bowl by Marine helicopter, landing on a golf course beside the stadium. Back at the Century Plaza Hotel, he stopped to chat about the game with firemen on duty for his landing, and said an 80-yard touchdown run by Southern California's O.J. Simpson was a classic.

Later, the Nixons, the Wilkinsons and Finch had dinner at a Japanese restaurant in the hotel.

Tax-Free Areas to Be Scrutinized

By EDMOND LeBRETON  
Associated Press Writer  
WASHINGTON (AP) — The tax-free status of charitable institutions and the exemption from capital gains taxes enjoyed by heirs are due for careful scrutiny in the new Congress, informed sources say.

These two areas are designated for special study as part of a look at tax reforms that sources say Congress will undertake regardless of what Richard M. Nixon does with recommendations of the Johnson administration.

The controversial 27.5 percent oil depletion allowance, however, is not scheduled for review, sources said Wednesday night.

President Johnson said Tuesday in San Antonio, Tex., he is making available to Congress and the incoming administration a package of tax reform proposals developed by the Treasury Department.

Johnson added, however, he had not examined the proposals and is making no recommendation concerning them.

The initiative, accordingly, is left to the Republican administration that will take over Jan. 20.

Johnson was instructed by Congress to provide recommendations on tax reform by Dec. 31. His referral of the Treasury proposals came a few hours before the deadline.

Sources close to Rep. Wilbur D. Mills, D-Ark., chairman of the House Ways and Means Committee where all tax legislation originates, said Mills avoided receiving any advance information on the Treasury proposals, apparently preferring they go first to the Nixon administration.

Mills, however, was said to favor making a start on tax reform this year, although the time required to steer a comprehensive revision of the Internal Revenue Code through both houses of Congress almost certainly rules out any final action earlier than 1970.

The question of whether the 10 percent income surtax will be extended beyond June 30 is not involved in tax reform proposals, which are concerned with long-range revisions in the tax structure.

Mills has said that this question is up to the new administration which will make its recommendations on the basis of the state of the economy, particularly the war in Vietnam.

asset such as stock or real estate is bought and the selling price—is taxable if the owner sells during his lifetime. However, if he dies and leaves such assets to heirs, their base for taxation is the value of the asset at the time of death. They therefore avoid paying the capital gains tax if they subsequently sell the property.

This is one aspect of the tax code which has come under increasing criticism in recent years.

There have been various congressional hearings on alleged abuses of contributions to charitable foundations with allegations some foundations are used as a tax dodge.

# Pictures in U.S. Building Forbidden

A new order of Federal Court in Cleveland prohibits newspapermen from taking pictures anywhere inside the Federal Building of persons involved in any judicial proceedings.

A judge presiding over a murder trial in Johnson City, Tenn., has issued a similar rule prohibiting cameras or recording devices from the courtroom during the trial.

These and other judges seem to be more and more reluctant even to permit reporters to attend their trials. Indeed, they act as if these were their trials. The judicial curtain is being drawn between the public and the administration of so-called justice somewhere around the front door to the nation's courthouses.

We wish all the nation's jurists and lawyers could read and understand these words spoken by the executive editor of the Chicago Tribune to the Chicago Bar Association (page 26):

"Fair trial can be assured only when all processes in the administration of justice, investigation, prosecution, judgment, are open to complete and relentless review and inspection by citizens. This is the only safeguard against the

dishonesty, ignorance and arrogance which tend to infect public business when it is not carried out openly.

"The role of the press here is not that of a privileged snooper with a license to read other peoples' mail just for kicks and to sell titillating tidbits for a profit. The press instead stands as the trustee for the citizens, gathering information they do not have time to collect personally and delivering it in a manner that will faithfully inform them how the public business is being conducted.

"The courts do conduct public business. They are not private preserves for judges and lawyers."

## Freight Rate on Ocean Is Increased

LONDON (AP) — A sharp increase in war risk insurance rates on goods shipped to the

Middle East was announced today by London underwriters.

The increase was adopted as result of the Israeli raid on Beirut airport Saturday, a spokesman for the Institute of London Underwriters said.

The five-fold increase in rates affects cargoes going to or coming from Israel, Egypt, Jordan, Lebanon, Sudan, Syria and the Red Sea ports of Saudi Arabia and moving between these points, the spokesman said.

Two hundred forty dollars worth of war risk insurance on such cargoes will now cost 90 cents instead of 18 cents.

Cargoes moving in other parts of the world on vessels owned by or sailing under the flags of these countries will be charged at double the present rates, the spokesman said.

War risk rates on ar shipments to, from and between these countries also were increased, the spokesman said, but he gave no figures.

The increase in rates affects only cargoes and not vessels or aircraft, he said.

## Air West Is to Be Sold to Hughes

SEATTLE (AP) — Directors of Air West said Tuesday night they had decided to sell the airline to financier Howard Hughes.

In making the decision, they beat by less than a few hours a midnight deadline set by Hughes.

"The agreement to sell the assets of Air West to Hughes Tool Co. was signed by Air West chairman Nick Bez," a statement issued by the airline in Seattle said. "Mr. Bez said that he had received telephone calls from six of the directors who had previously voted against the sale, indicating they were now changing their votes."

Last Saturday the airline directors voted 13-11 to reject the Hughes offer. On Monday, 13 stockholders, six of them company directors, sought an order in the Court of Chancery, Wilmington, Del., to force all the directors to accept the purchase offer.

Then, on Tuesday, seven shareholders filed a damage suit in federal District Court in New York State against the 13 directors who voted to reject the Hughes offer. The suit sought to recover what was described as "the substantial profits Air West would have made" through the sale to Hughes.

"The next step will be to submit an application for approval of the sale to the Civil Aeronautics Board," the airline statement said.

The airline, formed last April by a merger of Bonanza, Pacific and West Coast Air Lines, flies 9,000 miles of routes over the Western states and adjacent sections of Canada and Mexico.

## 3 Organs in Transplant From 1 Body

NEW YORK (AP) — A surgical team at New York Hospital completed a heart transplant operation and two kidney transplants today on three separate patients using organs from a single donor, the hospital said.

Miss Isabel Cameron, hospital administrator on duty, said all three patients were "doing satisfactorily." She said donor and recipients were all men but declined to identify them beyond saying the donor was a doctor.

## HELEN HELP US!

by Helen Bottel

DEBT PAID, LESSON LEARNED, BOOK CLEARED

Dear Helen: I tried shoplifting for the first time and was caught. I took something and walked around the store with it, hidden, unsure whether to return it. Never again!

The security guard brought me to the office where they made me pay the \$3.98 it cost, and write a statement saying I intended to steal it. I didn't attempt to leave the store with the compact.

Now I can't sleep nights, hoping my family won't find out. How long is this record kept and can they bring me to court? — UPSET AND SCARED AND VERY REGRETFUL

Dear U.S. and V.R.: You've learned your lesson, you've paid your debt, and the case is probably closed. However, to ease your mind, call the Juvenile Division of the City Police. They can't arrest you, as no charge has been brought, and you'll be surprised how helpful they are. You see, they NEVER want to see you in court! — H.

Dear Helen: During my unwed pregnancy, I participated in a small social club with several other girls. One of the girls

stood by me more than did my best friend. I don't know what I would have done without her. She made me feel worthy again. After the baby was born, I went to work in a doctor's office. But I am 17 and plan to go back to school this month. The doctor asked me to recommend someone to replace me.

Both my best friend and the girl who helped me when I needed it are qualified. I'm sure my best friend expects me to recommend her, but I feel the other girl deserves it. Which should I choose? — P.F.

Dear P.: Aren't you a little confused on which girl is your "best friend" and which your "fair weather friend?" I think the girl who stood by when you needed her has the best qualifications for the job, don't you? — H.

Dear Helen: Help! I'm a guy of 14 and I'm confused a great deal. My Mom doesn't want me to see or even speak to my Dad, and my Dad doesn't want me to see or even speak to my Mom. I live on Welfare in a foster home. How can I avoid fusses, and yet see both my parents? — TWISTED AND CONFUSED

Dear T and C: Seems to me up the right to run your life. Take your problem to your Social Service worker at the Welfare Agency, and she will straighten them out. — H.

Dear Helen: I like to have slumber parties, but my mother gets mad if we don't all go to sleep by midnight. Would you please tell her that slumber parties aren't for sleeping? We don't make a lot of noise but we like to talk most of the night. — PARTY DROPOUT

Dear P.D.: It takes a special kind of parent to live through slumber parties. Your mother evidently isn't the type for all night giggle-sessions, so why don't you plan early record parties instead? — H.
